

PROPRIETARY AND CONFIDENTIAL
 THE INFORMATION CONTAINED IN THIS DRAWING IS THE SOLE PROPERTY OF FLOW OPTIMIZERS LLC. ANY REPRODUCTION IN PART OR AS A WHOLE WITHOUT THE WRITTEN PERMISSION OF FLOW OPTIMIZERS LLC IS PROHIBITED.

Notes:

- 1) Products are warranted to be free from defects in materials and workmanship upon delivery.
- 2) Since basket strainers are being custom built to specific dimensions using material specifications provided by AECOM there is no guarantee of performance or reliability. Flow Optimizers shall not be held liable for any loss or damages resulting from the use of them. Flow optimizers is providing the assembly drawings as a visual representation of how the product will be made. Flow Optimizers is not providing fluid dynamics engineering, materials engineering, or fabrication engineering and is not offering any guarantee that these products will perform a particular function or meet any type of flow performance specifications or product service life. Flow Optimizers is only responsible for assembling the products as per AECOM's sketch and delivering them to the jobsite.
- 3) All welded 316L Stainless Steel Construction.
